- (2) The Commission shall, in the manner herein provided, then distribute the seats allotted to each of the States other than Jammu and Kashmir in the House of the People, the seats assigned to the Legislative Assembly of each Part A State and of each Part B State other than Jammu and Kashmir, and the seats allotted to the Legislative Assemblies of certain Part C States under section 3 of the Government of Part C States Act, 1951 (XLIX of 1951), to territorial constituencies and delimit them in accordance with the provisions of the Constitution and of the said section 3 on the basis of the latest census figures, and in doing so, the Commission shall have regard to the following provisions, namely:—

  - (e) all constituencies shall, as far as practicable, consist of geographically compact areas, and in delimiting them, regard shall be had to physical features, existing boundaries of administrative units, facilities of communication and public convenience:

Provided that the Commission may, if it finds it necessary so to do, continue either or both of the existing three member constituencies, whether with or without alterations in their boundaries, reserving therein one seat for the scheduled castes and another seat for the scheduled tribes.

- (3) First in respect of the determination of numbers under sub-section (1), and then again in respect of the distribution of seats and delimitation of constituencies under sub-section (2), the Commission shall—
  - (a) publish its proposals, together with the dissenting proposals, if any, of an associate member who desires publication thereof, in the Gazette of India and Official Gazettes of all the States concerned and also in such other manner as it thinks fit;

#### Delimitation Commission

- (c) consider all objections and suggestions which may have been received by it before the date so specified, and for the purpose of such consideration, hold one or more public sittings at such place or places as it thinks fit; and
- (d) thereafter, determine the matters referred to in sub-section (1) or, as the case may be, in sub-section (2) by one or more final orders.
- 9. Readjustment of representation and the date of operation of such readjustment.—(1) The Commission shall cause each of its final orders to be published in the Gazette of India; and upon such publication, the order shall have the full force of law and shall not be called in question in any court.
- (2) As soon as may be after such publication, every such order shall be laid before the House of the People.
- (3) Subject to the provisions of sub-section (4), the readjustment of the representation of the several territorial constituencies in the House of the People or in the Legislative Assembly of a State and the delimitation of those constituencies provided for in any such order shall apply in relation to every election to the House of the People or to the Legislative Assembly of such State, as the case may be, held after the publication in the Gazette of India of that order, and shall so apply in supersession of the provisions relating to such representation contained in the Representation of the People Act, 1950 (XLIII of 1950), the Government of Part C States Act, 1951 (XLIX of 1951) and the orders made under either of the said Acts.
- (4) Nothing in this section shall affect the representation in the House of the People or in the Legislative Assembly of a State until the dissolution of the House or the Assembly, as the case may be, existing on the date of publication in the Gazette of India of the order made by the Commission under sub-section (1) relating to the readjustment of such representation.
- 10. Amendment of orders of the Commission.—At any time within six months of the date of publication in the Gazette of India of any order of the Commission under sub-section (1) of section 9, any clerical or arithmetical mistake in the order and any error arising therein from an accidental slip or omission may be corrected by the Chief Election Commissioner by order made with the previous approval of the other members of the Commission or of such of them as may be then available and published in the Gazette of India.
